

Take the Paws in the Park Team Challenge!

Spend the morning with Longmont Humane Society at Paws in the Park along with your friends, family and coworkers to support animals in need. Join us at the Boulder County Fairgrounds Picnic Shelter for a pet-friendly 2.5 mile walk and festival featuring pet vendors, community businesses and food and drink.

To join the challenge, purchase your walk registration and set up a fundraising website for your team. The team that raises the most funds (including your walk fees) is the challenge winner!

Top Reasons to Accept The Paws in the Park Team Challenge:

- Support team wellness by walking, jogging or running on October 7
- Dogs are welcome to attend the walk and festival; encourage your team to bring their furry family members along for the fun!
- It's a team-building experience! Raise funds, prepare for the walk or plan event costumes as a group.
- If you join with your workplace, use this team challenge to compete with other businesses! Showcase your workplace name at the walk and festival, challenge a competing business and show your community support!
- The winning team will receive a shelter experience for your group, along with a tile at LHS immortalizing your win!
- Your participation helps fund care for homeless animals in our community. Support us in reaching our goal of \$30,000 by signing up to walk and raise funds for Longmont Humane Society.
