Tribute Tile Wall at Longmont Humane Society

Longmont Humane Society's Tribute Tile Program provides you the opportunity to honor or memorialize special friends and family members – animals and people – with a personalized tile installation along our adoptable canine promenade. Tiles are permanently installed and serve as wonderful tributes to their honorees, whose lives and legacies live on each day through Longmont Humane Society's lifesaving services for animals throughout Longmont and beyond. Your tile will be designed in-house. Please provide an email address below, as you will be invited to proof your tile for grammatical accuracy before it is ordered.
