2023 Sponsorship Opportunities

"The generosity of our donors and partners make our work possible, because we are 100% funded by our local sponsors, donors and the municipalities we serve."

Although much has changed in the 50 years that Longmont Humane Society has served our community, our gratitude for our staff, volunteers, donors and sponsors is constant.

Our commitment to the mission of caring, serving and educating to improve the lives of companion animals is, if anything, expanding. We are always exploring new ways to enhance the lives of animals and the people who love them.

I invite you to partner with us in 2023 to help us continue this important work. This packet contains ways you and your business can make a meaningful difference through sponsorships and partnerships.

Not only will you support the animals in our care, but you'll demonstrate your commitment through a positive brand association and awareness generated by impressions throughout the community and beyond.

So please explore the possibilities enclosed, and let us know how you'd like to be involved. Or, reach out to us to explore an idea we haven't thought of yet!

We'd love to talk with you about partnership opportunities that work for you and your business.

Sincerely,

Darlene Coker
Board Chair
